#### Healthy Tip of the Week

Why not spread some KINDNESS this bank holiday weekend...

It's always nice to feel appreciated when someone says something kind about you! It also feels good to give others compliments and let them know what you appreciate about them! Once you make your compliment jar, the next time you want to give a compliment, pick a card and fill it out. If you want to make your own compliment cards, pick a few of the feel-good compliment words to help you get started!

### How to create The Jar of Compliments

Print pages 2 and 3. Cut out the compliment cards and labels. Print page 4 to make your own!

Find an empty jar. Tape or tie the label to your jar.

Keep the jar where you will see it often (the dinner table, your desk, etc.) When you want to give a compliment, pick a card from the jar and fill in the space provided.
