## INFORMATION FOR YEARS 5 AND 6

We open our brand new building on Monday 27 June. The Cavendish staff have worked long and hard over the last 2 days to get everything ready, and we'd like to say a special thank you to our Business Manager Ms Nic Kennedy who has managed the logistical side of the operation fantastically well. Her work has ensured that everything ran to time, crucial services were installed and checked, important deliveries were made, and about 1001 other things that needed to be done *were* done! She'll be spending this weekend lying down in a dark room!

On Monday, we would like Years 5 and 6 to gather on the newly laid tarmac area at the back of the building (facing our Nursery). Their teachers will come out to get them at 8.50am, show them which entrance to use, and then show them to their new classrooms. It's been hard work getting to this stage, but the smiles on the children's faces will make it all worthwhile. At the end of the day, the children will leave the building through the rear double doors facing the Nursery.

We are not inviting parents/carers in for a look around on day 1, because our priority on Monday is getting the children to feel familiar with their new environment, but if you are a Y5/6 parent/carer doing the drop off or pick up on Wednesday and would like to pop inside at 8.50am or 3.20pm, you will be very welcome.. We are sure everyone is keen to see it!

We'll put more photographs of the classrooms and other facilities in use in next week's newsletter.

***NUT STRIKE ACTION – members of the NUT have voted to hold a national strike on Tues July 5<sup>th</sup>. This is likely to affect classes at Cavendish, and we will send home information about it as soon as possible.***
