Mad Scientists in KS1!

Our children in KS1 had a great day on Wednesday when they were transformed into scientists for the day. We had visitors from Mad Science and each teacher ran their own experiments through the day too. The children had a great time – a big thanks to those who organised the day & our PTA for their help in funding the day.

PTA Disco – Reception and KS1

Our brilliant PTA are at it again. They are organising a disco for reception and KS1 children from 5.30 to 7.00 on April 27th. Look out for more details soon.

Dogs on School Premises

As I'm sure you are all aware, like all schools, we do not allow dogs on our school grounds. If you do bring a dog and wait outside with it, could you please ensure that they are well behaved. We have had some complaints of dogs fighting near the school gates which could obviously upset some of our children. Thank you for your help.

Bake Sale for The Christie

Some of our teachers are running the Great Manchester 10k again this year for The Christie. Last year they raised over £1000 altogether and they would love to come close to that again.

As a way of boosting their fundraising, Miss Hansen, Mrs Mitchell, Miss Frazer, Miss Merry and Miss Marsden are holding a bake sale next Friday 23rd March on the playground after school.

There will be cakes and treats available and all of the money will go to The Christie.

If anyone would like to donate a bake (or shop bought treats) then please contact one of these teachers.

THANK YOU!

The Christie

More Running Heroics

It isn't just our teachers who are running to help others. 2 of our boys, Hugo and Sai, will be running the 1.2km Mini Paris Marathon and their mum will be running the Paris Marathon itself, over the Easter holidays. They are fundraising to raise awareness of Nephrotic Syndrome – a condition which one of our pupils has been diagnosed with. Please see the link for any gratefully received donations.

Pizza at Proove

Thanks, once again, to the staff at Proove for hosting another one of our classes for a completely free pizza making workshop. The pizzas they came back to school with looked delicious – I hope they shared them with you!

We are so lucky to have so many community-minded businesses on our doorstep.

Running Club's first 2.5km run completed!
