Cavendish Values

This week we have been thinking more about **DIVERSITY** and the importance of speaking up if we see others being treated

in an unfair or unkind way because of their differences.

Remember to wear rainbow colours next Friday for our Equality Day! f1 donations please towards the visitors and activities.

Diary Dates

SEND review meetingsweek of 28th Nov & 5th Dec. Teachers will be in touch to arrange.

Road Safety Week -21st Nov

1SH class assembly – 24th Nov at 9:10am

Equality Day - 25th Nov

Flu Vaccinations –

1st Dec

Y4 Romans trip – 9th Dec

School Trips

Cavendish are very lucky to have such an amazing PTA who help fund important school activities such as school trips. Although we will still be requesting money from the PTA to reduce the cost of trips, we will be asking parents/carers to pay the full amount for trips if possible. The PTA money could then be used to cover other school costs. If you are unable to pay the full amount, please pay what you can – even a small amount does make a difference. We appreciate these are difficult times for all, so do not want to add another financial burden, but the finances of the school are also stretched and we do need the support of those who are able to afford it. If we do not receive enough financial support from our Cavendish Community we will have to stop running school trips, which offer really important life experiences for the children and help bring their learning to life.

Healthy Tip of the Week

Keep an eye on your vitamin D

To keep bones and muscles healthy, everyone should consider taking a daily vitamin D supplement in autumn and winter, when we cannot make enough vitamin D from sunlight. And some people should take them all year round, including children up to the age of 4 and people who are at risk of not getting enough vitamin D.

Just 10 micrograms a day is all you need — it's the same for kids and grown-ups. Read more about vitamin D

Keeping Safe: Being Happy

Meet our **Cavendish Safety Protectors**

Our goals for this year are...

Everyone to feel included at playtimes – EQUALITY

Everyone to feel safe at playtimes - RESPECT

Protect others from feeling hurt or getting hurt – KINDNESS

Help ourselves and others to be and feel safe - RESPONSIBILITY

Keeping Safe

Our tip for keeping safe online is to keep talking about how we are using the internet and always report something you feel isn't right.

Classtronauts & Ogden Trust Science Bags Year 5 and 6 only

Next week I will be relaunching the Ogden Trust/Classtronauts Science at Home Bags.

Each Year 5 and Year 6 class will have a bag. It contains a fabulous book with lots of different science activities you can do at home.

The class teacher will decide who can take the bag home each Friday and it must be returned the following Friday.

Please send photographs and any write-ups of the activities you complete to me at the email address provided in the bag so that I can display them in school and in our school newsletter.

Have fun!

Miss Marsden
