Let's shine at the Didsbury Festival!

It's the annual Didsbury Festival tomorrow, and it looks like it's going to be a sunny one. We'd like as many of our children as possible to dress up in starry costumes and join the procession. We are meeting at St. Catherine's School on School Lane at 10.45am, and the procession will set off promptly at 11am. Paint your faces, wear something sparkly and join in with this fabulous community event. Hope to see you there!

News from Mr. King

On Saturday 29th June, a team of Cavendish staff will take part in the 24 hour Relay for Life event in aid of Cancer Research UK. So far, (although we are hoping for more members) the team is: Rob King, Rachael Myers, Michelle Threlfall, Samma Roylance, Heather Hanley, Roisin Hanly and Claire Critchley. If anyone has a pound or two to spare for a very good cause, they can donate online at: http://relay.cancerresearchuk.org/site/TR/RelayForLife/General?team_id=4893&pg=team&fr_id=1249

Well done to the Cavendish children who took part in the British Milers race at Sportcity last Saturday. It was a tremendous event, full of top class athletes, and a special mention goes to one of our talented Y6 athletes who won a bronze medal in her class.

The free girls' football coaching sessions, run by Hough End Griffins, are held every Saturday from 10:30am until 12pm. They are now open to all girls in years 1-6 and are held at Broughton Park Rugby Club. Come and join the Cavendish girls; we only need a few more players, then we'll have enough to make a team to play in the Manchester Girls League.

REDUCE - REUSE - RECYCLE

Is your toaster toast? Has your kettle run out of steam? - Don't bin it, bring it!

Our school is an official collection point for Recycle Week 2013.

So we are asking everyone to dig out their unwanted or broken **small household electrical items** and bring them into the school between **17th June - 5th July**.

What can I Bring?

From kettles to cameras, from battery-operated toys to toasters, from power drills to game consoles, you can recycle the lot!

If you can answer '**Yes**' to any of the following questions you **can** recycle it here at the school.

- ✓ Does it have a plug?
- ✓ Does it use batteries?
- ✓ Does it need charging?
- ✓ Does it have the crossed-out wheelie bin logo on it?

*** No laptops, computer monitors, microwaves or TVs (You can take these to your local recycling centre)**

There will be an official recycling point for small electricals outside the school office at the main entrance for three weeks so remember, don't bin it - bring it - to school!

Did you know...

On average, every Greater Manchester household has 3 broken or unwanted small electrical items, so recycle yours today.

In one person's entire lifetime they will go through an average of **3.3 tonnes** of electrical waste.

Bring it to Win it!

The school which recycles the most small electrical items out of the participating schools across Greater Manchester will win £500 to go towards a recycling/environment project.

You can also pledge to recycle your household electrical items for a chance to win £200 shopping vouchers! Simply pick up a pledge card and enter our prize draw!

Support your school. Support Recycle Week.

JOB OPPORTUNITIES AT CAVENDISH

We have vacancies for mid day supervisors. The job involves working for 6 and a quarter hours each week looking after children during the lunchtime break, both inside whilst they are eating and outside when they play. If you enjoy working with children and are enthusiastic about playing games and doing activities with them, then please see our website or call into the school office for an application form.

Next Week...

Y5 are visiting Chorlton High School for a taster morning on Monday.

Mr. Griffiths is running maths workshops for parents and carers at 9.15am and 5.30pm in school next Wednesday.

Our Y5/6 netball team will play in a tournament at Parrs Wood HS on Thursday.
