## Thank You

A big thank you from Mrs Day, Mr King, Miss Hanly, Mrs Hanley, Mrs Myers and Miss Threlfall for all of the generous donations and moving messages which were written on the candle bags which lined the route of the Relay for Life last weekend. As they walked throughout the night, their spirits were really lifted by the support of our school community.

## Scooters in the Playground

We think it is great that so many of our children scoot and ride their bikes to school. Not only is it a healthy and sustainable means of getting to school but it also cuts down on the congestion outside of school in the morning.

When the children get into the school however, they must get off their scooters and bikes and walk, as it is very dangerous to scoot through what is a very busy playground at that time of day. We have had several accidents and complaints from concerned parents and carers. We would really appreciate your support with this matter.

## Summer Holiday Clubs

Little Sports Coaching will be running holiday clubs throughout the summer holidays at Cavendish. There is a mixture of mini football, Olympians and Rhythmix sessions.

Check out the link to their website for more information and to reserve places.

### Sports Days

Here are the dates for the remaining sports days at school. We will aim to start at 9:30am so if you are coming along, please make your way to the school field. They are all dependent on dry weather, so fingers crossed!

Years 1 & 2 - Monday 15<sup>th</sup> July

Years 3 & 4 - Thursday 18<sup>th</sup> July

Years 5 & 6 - Tuesday 16<sup>th</sup> July

### Health Week

Next week is our whole school Health Week. The children will be learning about all sorts of things to do with living a healthy lifestyle including healthy eating - with a focus on healthy lunches; the importance of exercise; the links between healthy living and being a good learner and sex and relationships education. Talk to your children at home about what they have been learning about.

As part of their learning, Year 5 will be running Wake Up and Shake Up sessions at 8:45 am from Tuesday to Friday. Come and join in with them; they will be near the castle in the playground.

### Quad Kids Tournament

Cavendish were out and about competing in another sports tournament this week. A group of them represented the school at the Quad Kids athletics tournament and, as usual, they made us really proud with the way they behaved, supported one another and gave their best.

### New Teacher

We appointed a new teacher last week who will be teaching one of our 3 reception classes next year. Her name is Rebecca Ellwood and she has been teaching reception at a school in Bolton for the last 2 years. We are very excited about her appointment and look forward to welcoming her in September.

# SUMMER FAIR

**SATURDAY 13<sup>TH</sup> JULY 1PM-3PM**

Please contact the PTA if you are able to help on the day or just come along and enjoy the fun!!!

## Lost Property

We have absolutely tonnes of lost property in school at the moment. Weather permitting, we will be putting it out on tables in the playground at home time next week, so if you are missing a jumper or a PE kit or a lunch box, come along and see if you can find it! After that, all of the items will be recycled in one way or another.

## Tile Competition

Thank you for your support for our design a tile competition. We have had over a hundred entrants and choosing winners is going to be a difficult job. We will be trying to select some winners over the next few days.

and finally....

have a happy, sunny weekend!!
