Christmas Performances

The dates of this year's Christmas performances were sent out in the first newsletter of the academic year, and have been available on the website since Fri 6th September. These are the first dates we set each year because we know that many parents and carers have to book time off work in order to attend. However, here is a reminder of what is happening and when:

We urge all parents to read our weekly school newsletter. It will keep you up to date with what's happening at Cavendish, and it's our main method of communication with you. We do occasionally send text messages out, but these are expensive and the number of characters we can use is limited. All the newsletters are archived on our school website, so if you have internet access through a computer or a mobile phone you can read them online. We send an electronic copy of the newsletter to parents/carers for whom we have email addresses (so if yours isn't arriving, email us at office@cavendish.manchester.sch.uk and we'll look into it), we send paper copies out with children whose parents/carers have not provided us with email details, and there are also paper copies of the letter available on the carousel stand outside of our school office.

Don't forget our other Christmas events - the Christmas Fair takes place on Fri 6th December from 3.30pm to 5.30pm, and our school Christmas dinner is on Weds 18th December.
