LightsFest

Thanks to all the children and families who came to support West Didsbury's LightsFest on Thursday. As always, I am indebted to the staff who helped make our choir's participation possible - Mr. Lee, Mrs. Law and Mr. Davies (ably assisted by his daughter!) accompanied the children and other colleagues also attended, making it a real school and community event. I think our good friend Helen Corr will be publishing photos on the Didsbury Life website, so look out for them at www.didsburylife.com

Cavendish Rocks

We also had the excitement of a rock concert at school this week. Mr. Davies organised it with Presto Music and it was wonderful to see the children enjoying themselves and joining in with the music.

No one is born hating another person because of the colour of his skin, or his background or his religion. People learn to hate, and if they can learn to hate, they can be taught to love, for love comes more naturally to the human heart than its opposite.

Nelson Mandela

Poverty is not an accident. Like slavery and apartheid, it is man-made and can be removed by the actions of human beings.
