

2014 Champions!

After its fantastic first year, we are proud to announce that the 2014 overall House Cup champions are Ennis/Greens. Second and third place was really close. We will make a slight adjustment to the groups next year, then we hope that children will stay with their House all the time. There will be even more opportunities to earn tokens next year in PE lessons, but the simplest, most effective way to earn them will be to get regular tokens for attending after school sports clubs.
