Positive January!

Some positive inspiration from the art work that Y3&4 have produced.

It's on display in their hall for all to appreciate and enjoy!

- 26th Jan – 5LM class assembly
- 1SM class assembly
- 9th Feb – 4NC class assembly
- 17th Feb- finish for half term
- 27th Feb- school re-opens

Cavendish Playleaders

Hello! We are the Cavendish Playleaders!

We will be hosting fun games and things to do in the playground at lunch, for anyone to join in.

The play leaders will be there to brighten up your lunchtime with some FUN!

We are doing this because we want everyone to enjoy their lunch time by playing games they love whilst also being healthy and active.

Your Senior Leadership Team

Headteacher – Mrs Taylor

Mrs Taylor's role is to ensure the school is the very best it can be.

'I am so proud to work in this brilliant school in such a supportive community. I am always open to new ideas to make our school even better.'

Healthy Body: Tip of the Week

Let's talk sleep!

Does your child get the recommended sleep every night?

What are your bedtime routines like?

Check out some tips and advice in the following links...

<https://thesleepcharity.org.uk/information-support/children/>

BRILLIANT TEAM WORK!

Here are our Dodgeball Team!

They played in a tournament this week and were BRILLIANT!

They all played with so much respect, passion and honesty and did incredibly well in the competition.

We were voted 2nd best team in the tournament (by the other schools we played against and the staff running the tournament) for showing the game's values of honesty, passion, self-belief, teamwork and respect!

Well done!

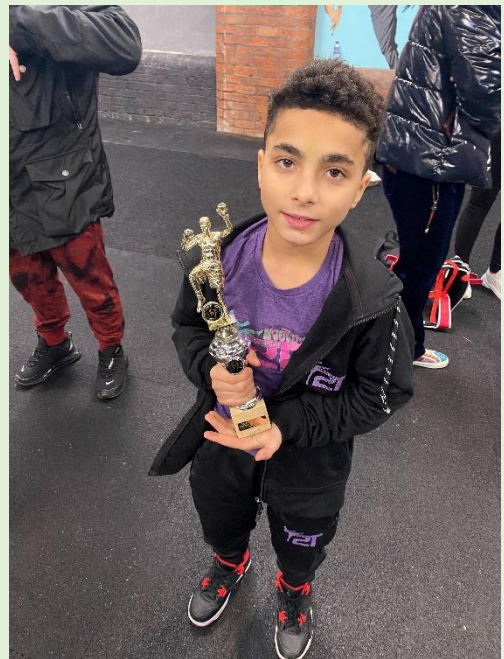

BRILLIANT CITIZENS

BRILLIANT Sporting Achievement!

Nico in Year 5 has been awarded the title 'Fighter of The Year 2022' from his coaches at 2Technical Muay Thai.

It's a great achievement and rewards all his hard work in the last 18 months as he only started training in late 2021.

Well Done!

KEEPING SAFE: BEING HAPPY

Christmas gifts of new devices and technology unfortunately leaves children even more vulnerable when using the internet. Are you aware of what the games, apps and devices allow your children to have access to?

To help you understand this new, fast changing issue of VR headsets and Metaverse, the NSPCC has published a guide. To find out more please follow the link:

<https://www.nspcc.org.uk/about-us/news-opinion/2022/christmas-vr-safety-advice-for-parents-metaverse/>

You can also find tips and advice for gaming by following the link...
