Cavendish Values

What a BRILLIANT half term it has been! A great start to 2023 with lots of wonderful learning through exploration and discovery. The children have shown us the true power of POSITIVITY!

Diary Dates

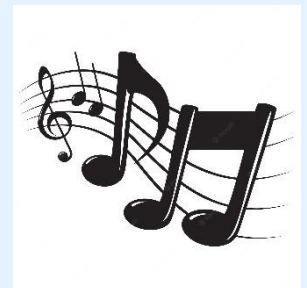

17th Feb- finish for half term
27th Feb – return to school for Spring Term 2

Musical visitors

We welcomed a visit from the Cavendish Jazz Trio last week. They were BRILLIANT! All children (and staff!) enjoyed an assembly where they listened to the live music played by the trio as well as learning about the instruments and music styles.

Thank you to the Cavendish Jazz Trio!

SEND News

Here's our Half Term SEND Community Offer! These are free activities for families living in the Manchester City Council area. Everything needs to be booked, apart from Simply Cycling.

<https://content.govdelivery.com/accounts/UKMANCHESTER/bulletins/3487477>

The children had a FAB-U-LOUS time at the disco last Friday. Some impressive dance moves all round! Thank you to the PTA volunteers who helped organise and run the event. A BRILLIANT £1,433 was raised.

Your Senior Leadership Team

Assistant Headteacher – Miss Conway

Her role is to lead the staff and children in Nursery & Reception.

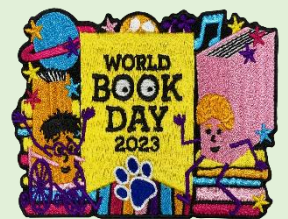

'It is a pleasure to work in the Cavendish community, receiving the youngest children and ensuring that they are ready for the rest of their school career - and life after 5 years old! As a team, we are committed to building the very best Early Years education and the celebrating the uniqueness of every individual.'

WORLD BOOK DAY!

On Friday 3rd March, we are going to be celebrating World Book Day.

At Cavendish School, we believe that reading is a valuable skill and one that we use in all areas of our life. Reading for pleasure is very important; we all need another world to escape into at times!

We would like to encourage the children to come to school as their favourite book character and to bring along their favourite book to share with their class.

We would love it if families could donate £1 towards our school library this year - Mrs Taylor and some parents have been working hard in there to make it clean, tidy and welcoming to all but we have lost many books over the years and would love to replenish them.

The wonderful PTA have funded a local author, called Tessa Singh, to come in and do some assemblies with all the children too - she came highly recommended!

We look forward to seeing all the amazing books (and costumes!) that you are reading at home!

Cavendish – RESPONSIBLE CITIZENS

We received a thank you from The BIG Issue for taking part in their fundraising event in December – The BIG Festive Jumper Day.

'Your donation has enabled someone currently experiencing poverty, the opportunity to change their life!' www.bigissuenorth.com

Earthquake Appeal – thank you for your kind donations for the British Red Cross Disasters Emergency Committee Appeal today. We've currently raised over £2000. Your contributions are all gratefully received.

BRILLIANT Sport!

It's been a busy half term sporting wise. Our dodgeball team were in the newsletter earlier this half term celebrating their success in coming 2nd in the INSPIRE competition and since then we have also had 2 basketball teams and a swim team in different competitions. Our basketball teams did amazingly well with 1 team finishing 2nd in the INSPIRE competition (which was voted on by the other schools based on the school games values of determination, respect, passion and self-belief) and the second team finishing 6th in the EXCEL competition. Both teams represented our school really well and I am so proud of every one of them. This week, our swimming team represented our school and both the boys and girls teams came 1st! This is an amazing achievement and I was so proud of their effort and support of each other on Wednesday. After all of the swimming times have been collated from the different swimming competitions that took place around Manchester, we have found out that our boys team have qualified for the PLATE final and the girls team have qualified for the CHAMPIONSHIP final, which will take place next half term.

Mrs Mitchell – PE & Sport Lead

Science at Cavendish

The teachers, and children in Year 3, Year 5 and Science club were all very excited recently, due to a very important delivery. We were lucky enough to be selected to take part in the Borrow the Moon scheme.

The samples we studied were: real space rocks, meteorites, and Moon samples collected during the Apollo missions which are loaned to the scheme by NASA. Needless to say, it was quite an exciting week. The samples have now been collected and moved on to the next lucky school.

Online Safety

Online Safety Workshop for parents of primary school students

Workshop Date: Monday 27th February

Time: 6.00-7.00pm

Don't forget to join our Online Safety Parent Workshop with child safety specialist Katherine Howard. Learn more about how to keep your child safe in their online world. Katherine will also introduce you to the Online Safety Hub and parental control safety app. Follow the link to join the Workshop:

Library Improvements

We love books at Cavendish and therefore wanted to spruce up our library to inspire the children with their reading. A huge thank you to the group of volunteers who helped organise, sort and tidy the key stage 2 library.
