Unveiling of Our Margaret Ashton Mural

At Cavendish, we are very committed and passionate about our value of EQUALITY as well as being so proud and inspired by our local

Didsbury history and the people who have helped to make our school and community such brilliant places. This **International Women's Day on 8th March**, we will be celebrating both EQUALITY & LOCAL HISTORY as we unveil our mural of Margaret Ashton & celebrate other great women from the present & the past. Our 'official' unveiling ceremony will take place between **3.30 & 4.30 on Wednesday 8th March**. We will be celebrating the life of Margaret Ashton & other women who fought for equality through drama & readings from children. We will be joined by local councillors, representatives from Didsbury heritage & the artists who created the mural. We will have music as well as refreshments & cake and we would love you all to come & enjoy this celebration with us.

In order to keep everyone safe, we are asking you to collect your child at the normal time & place and a member of staff will give further directions if you are staying for the event. [We hope you can join us!](#)

BRILLIANT CITIZENS – Cavendish’s star of the screen!

Scarlett plays Sophie Fox in Hollyoaks which airs on Channel 4 and E4 every weekday. She plays the daughter of Sienna Blake & Warren Fox and has been cast as one of their twins (Sophie & Sebastian).

Scarlett was put forward for the role by The Drama Mob, who are a Drama School and Talent agency who run classes in Didsbury. She auditioned against lots of other children from Manchester and was luckily picked for the role. She has currently been playing Sophie Fox for just over a year and loves her on set days which can be long with very early starts. The set is in Liverpool so some mornings we are up and out for 6.30 to be ready and on set for 8!

The role involves taking directions from multiple people including the director, assistant directors & camera men and women. She also has to follow instructions, learn lines, take cues from other actors, ad lib (when required), remember not to look at the camera (which is very hard!) and adapt quickly as things on set can be constantly changed. Scarlett is about to be involved in a storyline which has a run of episodes airing throughout March (2nd, 7th, 8th, 9th, 10th then up to around 22nd) as part of a storyline linked to Mother's Day.
