Refugee Week

This week, we joined with schools across the country to learn about refugee migration. It has helped our children understand the experiences of refugees. We have explored some of the stories of people who have fled their homeland and come to this country. It has shown us what a wonderful welcoming place our school is. At Cavendish, we all MATTER & we all BELONG!

Here is some of the fantastic learning that has been going on in school...

See you there!

BRILLIANT Sport!

Last Monday, a group of our children went to a TriGolf tournament at William Hulme School and were BRILLIANT! They learnt new pitching and putting skills, showed great team work and most of all had lots of FUN! They all received medals, winning first and second places with 2 special mentions for individual children showing excellent determination and encouragement of others.

BRILLIANT CITIZENS

In this section of the newsletter we hear all about how the children are being **BRILLIANT** citizens!

Hi, I am Robin.

I have donated 30 pairs of headphones with microphones.

I have donated these headphones for children who find typing, spelling, handwriting or all three hard or seemingly impossible. I know iPads and laptops have speech to text but these headphones mean that it will take a lot less time as errors are a lot less likely. These headphones can change lives! This entire thing has been written by the dyslexic boy with the headphones.

We love to hear about how our children are achieving and making a difference outside of school. If you would like to share your news in the Cavendish newsletter, please let us know what you have been up to by emailing the school office...

Motorbiking for Charity!

Many of you will remember Mr King, who was a teacher here at Cavendish for a long time. He has been in touch and told us that he is challenging himself for charity.

Mr King is doing a charity motorbike ride for Maggie's (Cancer support Centres). If you can show your support and would like to sponsor him, please follow the link below...
