Cavendish PTA & cress

Cavendish PTA are proud to be partnering with Cress, an online marketplace for children's preloved and sustainable products.

We are asking for donations of **clothes, toys and uniform in a good saleable condition** which will be sold on the PTA's behalf to help raise money for the school.

Please bring donations to school at drop off on Friday 8th March

PRE-LOVED MAKES THE WORLD GO ROUND

Cavendish PTA have partnered with Cress (www.wearecress.com) an online marketplace that will help us to sell on preloved items and raise money for the school. We are asking if you could help by donating any preloved toys, clothes and uniform in a good saleable condition. These will be listed in our own personal shop on Cress' website and all sales will contribute to our fundraising goals. Please bring items to school at drop off on Friday 8th March.

We are looking for a Treasurer to come and join the PTA committee and help us to organise our fundraising events and activities. The Treasurer is an integral role within the team and helps us to allocate funds and manage our finances and budgets. It is a great opportunity to build new skills and meet new parents, as well as knowing that you are helping to raise money for the children and the school. Show Racism the Red Card

A huge thank you and well done to all of the children who submitted an entry into the Show Racism the Red Card. It was lovely to see the creativity and hard work that people put in.

Congratulations to Azaan (Y6), Safa (Y6), Jeena (Y6) and Ava (3MTS) whose entries have been sent into the nationwide competition.

Let's Make a Change
Stop racism,
It's not cool,
If you like it,
You're a fool,
Everybody loathes it,
Give it lots of hate,
Lend a helping hand,
And help it to desolate,
You know it's not good,
Just be true,
Anyone can help,
Even you,
So let's make a change,
And let's do it now,
I know we can do it,
We can change somehow.

5 tips to keep kids safe on WhatsApp

1 [Review privacy settings](#) WhatsApp has a range of privacy and security settings to keep users safe. Customise groups, app access, live location and more.

2 [Customise contacts](#) Show your child how to report and block unwanted contacts. Then, work with them to add their friends and family. Review and talk about their contacts regularly.

3 [Talk about personal information](#) Make sure your child understands what personal information is. Talk about the importance of keeping that information private on WhatsApp.

4 [Show them where to get support](#) If something goes wrong or they see something worrying on WhatsApp, make sure they know to come to you, and talk about other sources of support.

5 [Check in regularly](#) Once you've done all of the above, check in with them regularly to review settings and how they use WhatsApp.
