## Cavendish Values - KINDNESS Competition

Check out our kindness competition winners. They produced thoughtful artwork that represented our school value of KINDNESS BRILLIANTLY! Well done!

Watch this space for how their artwork will be used around school!

What an incredible year it's been! We broke records with our Bonfire Night, brought back Quiz night, had Santa visit with his real life reindeer, and scooped 2nd place at Didsbury Festival (just to name a few). We want to say a massive THANK YOU to everyone who volunteered with us this year. Whether it was baking, packing sweets/popcorn, running a stall, or cooking sausages, we're grateful for every single one of you. We also want to say a big THANK YOU to everyone who came along to our events. We hope you had as much fun as we did!

We wanted to share that the PTA took a total profit of over £25,000 this year! As a result, the PTA have been able to support the school with more funds than ever before, paying out around £30,000 for school trips, classroom supplies, extra-curricular visitors to the school and improvements to the playground. So thank you once again. None of this is possible without our wonderful Cavendish community.

If you haven't filled in our Events survey yet we'd love your feedback so we can better plan for next years events. Fill in the form here:

## SUMMER FETE

Thank you to everyone who braved the rain last Friday and came to our Summer Fete. We hope everyone had a fantastic time. The highlight had to be the surprise flash mob featuring teachers and carers!

We wanted to say a special thank you to everyone who volunteered. We were blown away by the amount of people who stepped forward when we feared we may need to cancel so thank you. And we're delighted to share that we took an incredible £4300!

Manchester is on its journey to becoming an internationally recognised Child Friendly City. A Child Friendly City is one that recognises and celebrates Children’s Rights. Many of our schools are Rights respecting schools, so will be familiar with the United Nations Convention of the Rights of the Child. This year on National Play Day (Wednesday 7th August) as a city we will celebrate Children’s Right to Play (Article 31) bigger and better than ever before. We have called on all partners and sectors to provide even more play opportunities for Children and Young People. There will be over 100 different events and activities taking place across the city, at Parks, Libraries, Galleries, Museums , in Neighbourhoods and at holiday playschemes. National play day is a celebration of children’s right to play and the vital benefits of play on Children’s health, happiness and creativity. National Play Day and share this link of the wide offer of activities & events. <https://loadstodo.co.uk/guides/play-day/>

All throughout the summer there will also be a range of free activities for children and young people to access, which can also be found on the Loads to Do website <https://loadstodo.co.uk/>
