

Cavendish Community Primary School  
Acceptable Use of Technology Policy - Pupils

I am **RESPONSIBLE** when online or using technology.

I show **KINDNESS** to others when online.

I **RESPECT** the equipment and devices I use.

This is how we stay safe when we use laptops, iPads or other devices:

- I will ask a teacher or suitable adult if I want to use the laptops / iPads.
- I will only use websites/apps/activities that a school adult has told or allowed me to use.
- I will take care of the laptop / iPad and other equipment and not try to change any settings on them.
- I will ask for help from an adult if I am not sure what to do or if I think I have done something wrong.
- I will tell an adult if I see something on the screen that upsets me.
- If I break the rules I might not be allowed to use a laptop / iPads.
- I understand that my use of the school network is monitored by the school.
