## Cavendish Values

This half term we are focusing on our school value of **RESPECT**. The children have been learning what it means and how it can help us be...

BRILLIANT learners in our classrooms  
BRILLIANT friends on the playground  
BRILLIANT members of our community.

Year 6 said...

**Respect** is helping others and looking out for each other.

**Respect** is staying calm and kind, even if you don't agree.

**Respect** is encouraging others and being polite.

## Prepared for all weathers!

Autumn is definitely here...so please can we remind you that your child needs to bring a water proof coat with them to school every day. We always aim to get the children outside for some fresh air, exercise and play, even if it is raining lightly. Of course, if it is raining heavily, the children will stay Indoors for their playtime & lunchtime.

## Uniform

Please make sure all items of clothing for your child's uniform are labelled so it can be given back and not lost.

## BRILLIANT CITIZENS

In this section of the newsletter we hear all about how the children are being **BRILLIANT** citizens!

### My Junk-Free July

I'd been wanting to show my support for Ukrainian children who have had to leave their homes because of the ongoing conflict. So in the last month of the summer term, I set myself a challenge: no junk food for the whole of the month of July!

On the first day of my Junk-Free July, I felt like this would be easy but I was very, very wrong! There was temptation *everywhere*: ice-creams on family outings, chocolates on play dates, biscuits on picnics, birthday cakes being sliced right in front of my eyes and party bags heaving with sweets. The hardest moment came during the heat wave on the **HOTTEST** day EVER, when the teachers were passing round giant ice pops.

"Go on," some of my classmates whispered, "no-one will know." It was tough, but I passed the test.

I chose the fruit option every day for school dinner, even though my favourites (flapjacks) kept being served.

Most people thought I had amazing determination and willpower, because they couldn't imagine themselves saying "No thank you!" to so much sweet, sugary, sticky, juicy, candy-covered, ultra-processed junk food.

But if I can do it, then you can too! In the end, I managed to raise £125 for UNICEF.

**THANK YOU - YOUR DONATION IS ON ITS WAY!**

Your gift of **£125.00** plus **£31.25** in Gift Aid will go towards funding UNICEF's work to support children affected by the conflict in Ukraine.

We love to hear about how our children are achieving and making a difference outside of school. If you would like to share your news in the Cavendish newsletter, please let us know what you have been up to by emailing the school office...
