Celebrate difference

This week...

BRILLIANT CITIZENS

In this section of the newsletter we hear all about how the children are being **BRILLIANT** citizens!

'NoTV October' for Centrepont

I wanted to raise money for young people in Manchester, so decided to give up TV for the month of October. Before I started, I was worried that it would be a really difficult thing to do, but it was actually very easy! Instead of turning on the screen, I would go up to my room to read, draw or play with Lego. I also learned to play chess, which is something that I am now getting a lot better at. On a school day I go to breakfast club, where the TV is always on, so I chose to do colouring.

In the end, I raised enough money to sponsor a room for a homeless young person for 12 months, which makes me feel very proud. My family now all watch less TV than before and do more activities together.

£12 COULD SPONSOR A ROOM

A room sponsorship could provide a young person arriving at Centrepoint with a safe and warm place to stay, so they can begin to turn their life around.

GIVE £12 A MONTH

We love to hear about how our children are achieving and making a difference outside of school. If you would like to share your news in the Cavendish newsletter, please let us know what you have been up to by emailing the school office... office@cavendish.manchester.sch.uk
