## Healthy Tip of the Week

Are you getting your 5 A Day?

Fruit and vegetables are a great source of vitamins, minerals and fibre, and an important part of a balanced diet for children and adults. Eating plenty of fruit and veg helps keep us healthy. Here you will find all you need to know about 5 A Day for the whole family

## Diary Dates

1<sup>st</sup> Dec Flu vaccinations

Calendar for end of term events and festive fun to follow next week!

## Keeping Safe: Road Safety!

We have been thinking about how to keep safe whilst out and about on the roads.

A huge congratulations to Lily in year 6 who won the design competition. Her winning banner will be displayed outside school so keep an eye out for it!

The Safety Protectors identified the following as dangerous for them when travelling to and from school...

Traffic on Cavendish Road – it's busy and hard to cross safely sometimes.

Parked cars on Cavendish Road – this makes it hard to cross the road safely.

Vicker Grove – turning cars when children are trying to walk on the pavement or cross the road.

We will be sharing some of the great poster designs over the year in the newsletter as a reminder to us all about keeping safe.

Remember to buy your raffle tickets

### Community Cavendish

The West Didsbury Residents Association have been crowdfunding for the Christmas on Burton Road event and have reached their target.

They would like to say...

Thank you so very much for your words of encouragement and support. We've managed to reach our target tonight which is amazing news!

We look forward to bringing the school choir along and seeing you there.

### The Cavendish Values
