## Cavendish Values

This week we have been exploring our value of EQUALITY by thinking about those with disabilities and the importance of dignity. We then found links to the children's rights 'no discrimination' and 'a child with a disability has the right to live a full life'.

## Farewell to Miss Devine

It is always difficult to say goodbye to members of staff, especially when they have been such a valued member of the Cavendish team. Miss Devine will be leaving at Christmas, she has worked at Cavendish for 28 years and has contributed to the lives and education of many children. She will be very much missed and we want to take this opportunity to wish her all the best for the future.

Her commitment and contribution to Cavendish has been second to none and we have greatly benefited from her passion and enthusiasm for local history. From the mural of Margaret Ashton and the development of our history curriculum to her partnerships with local history groups such as Didsbury Heritage, Miss Devine has been a BRILLIANT citizen, a fabulous member of our school community and leaves a legacy to be proud of.

Thank you Miss Devine, you will be very much missed xxx

## Mural of local historical figure...

You have probably noticed our fantastic mural facing the playground (seen from Vicker Grove).

The mural is of local Councillor Margaret Ashton. She was the city's first female councillor, an advocate for the women's right to vote, a tireless health and education campaigner and a strong voice for peace. Cavendish would not be there if it was not for her.

It has been created by artist Emma Bowen and incorporates our school values. More news to follow on the official unveiling of the mural next year.

Thank you to Miss Devine in getting this wonderful piece of artwork brought to life, a great reminder of our local history!

## BRILLIANT Team Players!

Some of our Year 5 and 6 girls represented our school in a girls football festival this week. They all played unbelievably well and the Year 5 team came home with a bronze medal and the Year 6 team came home with a silver! Our 2 teams even had to play each other, which ended in a very tense 0-0 draw! They were a credit to our school!

## T-Shirt Amnesty

We are very low on our school Cavendish T-shirts. Please can look at home to see if any are hiding away and return them to school, we would massively appreciate it as otherwise we will struggle at upcoming competitions. Thank you!

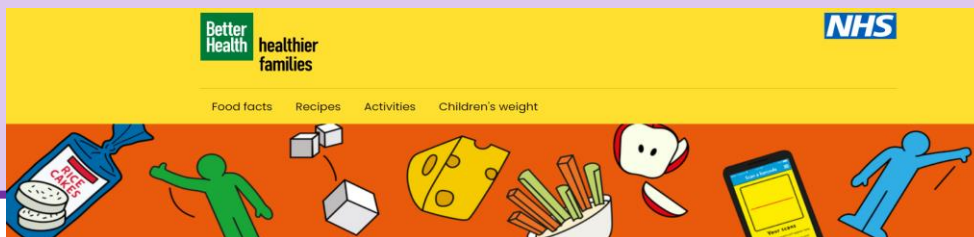

## Healthy Tip of the Week

DIY snacks can be healthier and often cheaper than packaged ones. Making them with the whole family can also be lots of fun and a great activity to do together.

Give these great, easy-to-prepare snack ideas a try today!
